

Be ready for your next big event!

Conservation Matters is pleased to introduce this new activity book for kids, *that you can brand as your own*, for your conservation events!

Electricity Matters includes:

Electrical safety tips

Interesting facts, challenging games and puzzles on conserving electricity

Printed on 100% recycled paper, certified by the Forest Stewardship Council (FSC)

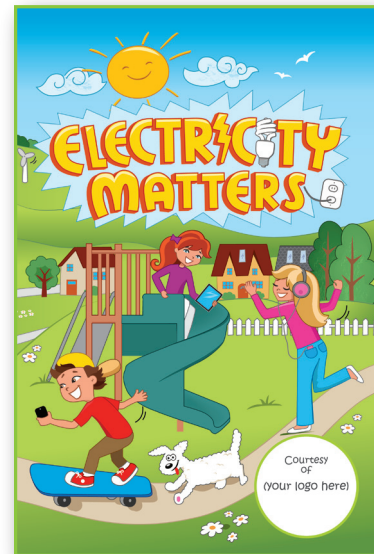

Environmentally-printed using a process called "waterless printing"

To order our new activity booklet, complete this form and email to: info@ConservationMatters.ca

Orders of 1,000 copies or more can be customized with your logo on the front cover.
